SUDHIR NARAIN is recognized as one of the brightest stars in ghazal performance today. His ghazals and bhajans are beautifully interspersed with classical interludes and shayari. Sudhir will be performing both bhajans, light ghazals in Hindi as well as the traditional ghazals with origins in Urdu.

His impeccable command of the music and masterful delivery is what endears him to his fans. His rich, deep voice is perfectly suited for the romance and magic of ghazal singing. The compositions of Ghalib, Faiz, Khumar Barabanqwi and other great poets are set in original music compositions as well as traditional style.
